“COWBOY LUAU”

April 4th at the BILLY GOAT

IMPORTANT CALENDAR EVENTS

No School: 2-14 and 2-17

Valentines Activities

The Beep classrooms will be making Valentines during the week of February 10th. Children in every classroom will be hand making one Valentine to be given to a friend. This is different from the traditional giving of store purchased Valentines which is done in the elementary school. We like to keep this holiday developmentally appropriate for the children and know that they have many years ahead to exchange Valentines with their friends.

If your child insists on having store bought cards, we ask that you don't address them to specific children, that you make sure all children in your child's class get a card, and that you and your child place them in the cubbies.

The “Cowboy Luau” is being planned for April 4th at the Billy Goat in Gen Village. It is a fun night of dancing and bidding on fantastic items in the live and silent auction. Once again, we will have themed baskets being prepared by each classroom.

This **adult** event is one that we hope you will attend, but the focus is on another segment of the community so, more than anything, please invite friends, family and work associates who will come and participate in the auctions.

PREPARE FOR TAX TIME

Andrea emailed statements to everyone In January. Send Andrea an email at beepreschool1@gmail.com if you do not see an email with “Customer Payment Summary” in the subject line. Please check your spam or junk folder. Paper copies are available for \$5.00.

Because we receive so many requests, the following information is provided for your convenience.

Please cut and save with your tax information.
